

Climate Skills & Community Building Fellowship

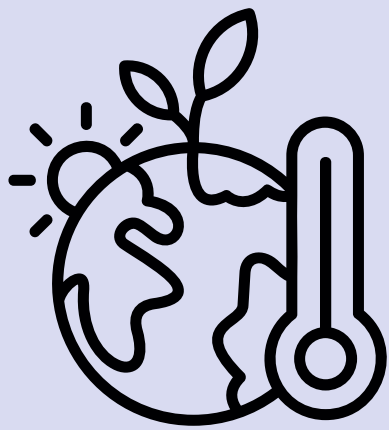

April - July 2024

For International Students & Newcomer Youth in
Downtown Toronto (ages 18 - 30)

Highlights of the Program

- 1. Professional Certification:** Gain professional certificates from Break The Divide and the Synergia Institute which you can include in your resume and LinkedIn
- 2. Skill Development:** Provides a comprehensive online course on climate-related topics (alternative systems of operations) and strategies on how to excel in today's evolving market
- 3. Mentorship:** Includes online and in-person study groups in the form of climate cafés, where participants can connect and talk to others
- 4. Commitment:** Just a 2-hour per week commitment from participants (April - July)
- 5. Climate Action Project:** Participants have an opportunity to get funding to launch their own climate action project in their community
